

G2nd Systems® is happy to announce the Winter 2021-22 GPHR Preparation Course beginning November 2021. The instructor-led course will meet online. The HRCI GPHR professional certification is accredited by the National Commission for Certifying Agencies (NCCA). NCCA is the accrediting body of the Institute for Credentialing Excellence (formerly the National Organization for Competency Assurance).

There are several advantages to getting a GPHR certification:

- ✓ Prove your commitment to the HR profession while taking on new responsibilities locally and globally
- ✓ Demonstrate to the international business community that you are prepared to assume HR responsibilities anywhere
- ✓ Become recognized as a credible and respected source of information on core international HR practices

Student eligibility criteria for the GPHR exam requires global HR experience* with one of the following at a minimum:

- ✓ 2 year of experience in a global professional-level HR position, plus a Master's degree or higher
- ✓ 3 years of experience in a professional-level HR position (at least 2 in global HR), plus a Bachelor's degree
- ✓ 4 years of experience in a professional-level HR position (at least 2 in global HR), plus a high school diploma

* Global HR experience means candidate has (or has had) direct cross-border HR responsibilities for two or more countries or regions.

About G2nd Systems®

We are a leading Global HR Research and Development Consultancy that improves quality and equity in globally diverse workplaces by providing products and services that enhance workforce communications across non-native and native English speakers. Our highest priority is to enable inclusive communication across multiple cultures simultaneously. Subject Matter Expertise: global strategic HR, workforce communication, workplace English proficiency testing and benchmarking, diversity and inclusion, workforce mobility and HR training. We identify gaps in workplace communications and organizational effectiveness, and provide focused interventions to ameliorate those gaps and reduce associated risks (including those influenced by unconscious bias).

Our validated, proprietary methodologies and technologies improve employee engagement, collaboration and knowledge transfer across diverse teams through our Global 2nd Language® Online Platform™ assessments and processes: Global Second Language® learning systems (culturally-neutral GSL® English™, GSL® Accent Clarity™, GSL® Focus-On-Writing™, and Your Perspective Matters™), GSL® Translation™ alignment, D&I training (with cultural sensitivity), HRM standards development, exam preparation and HR initiative consulting. We enable organizations to measurably enhance stakeholder relationships, employee engagement, team productivity, change management effectiveness, and leadership competencies.
